Report Cards

Please review your child's report card. It will go home next Friday. You must sign the envelope in the spot indicated and return the envelope to school. If you didn't return the official envelope from last trimester, just sign the envelope I placed it in and return that. The report card is yours to keep.

This month's curriculum

Math: We are beginning Partners, Problem Drawings and Tens.

Reading: In shared reading, we'll continue our work on story elements. We're also talking about fiction, non-fiction and poetry. In guided reading, we'll work on trick words and putting sounds together to make words. Please make sure you're reading with your student every night, as end-of-year literacy testing will occur in April.

Writing: We're working on being non-fiction writers.

Science: We'll finish our study of the sun.

Social Studies: We will begin work on studying geography - people and places in our world.

Hand Sanitizer Needed

Our class needs a few more large, pump-style hand sanitizer bottles to get us through to the end of the year. If you're able to pick one up at the store and send it in with your student, I would greatly appreciate it.

Thanks!

Thanks to all of our wonderful parents who planned a fun Valentine's Day party for us.

I'd also like to thank everyone else who helped out that day and made donations to help pay for our snacks and activities. I couldn't do it without you!

Looking Ahead ...

Please note these important dates for the month of March:

2 Intercultural Fair @ 3:45

9 Report Cards go home

16 No School – teacher learning day

March 26 – 30 No School – Spring Break

April 2 Students return to school
